Earthwise Organics
P.O. Box 176
LaWard, TX 77970

The AgriEnergy Resources products listed below are, to the best of our knowledge, fully compliant with the USDA/NOP regulations governing organic crop production in and for the United States of America.

AgriEnergy Resources has, does, and will continue to work with the certifying agencies of individual growers so that those growers will be allowed by their certifier to use the following listed products:

Bac Pac Seed Treat
Bio Aid
Bio Humus
KOH Humic Concentrate
Pillar 15
Residue WS
SP-1

Respectfully,

AgriEnergy Resources
